

Are you a business leader with technical and entrepreneurial skills ready to lead our Dutch business unit and serve our customers?

Do you have an outstanding track record in the Rental and Sales of industrial products?

Are you results driven and do you see a challenge in working hard to expand our presence in the Dutch Markets?

Than this is your opportunity!

Gorman Rupp Nederland functions as a business unit within Gorman-Rupp Europe, part of the US based pump manufacturer Gorman-Rupp in Mansfield, USA.

Gorman-Rupp Nederland is the Sales, Rental and Service organization for our customers in the Netherlands. Our pumps are being used in construction companies, the industry and communal waste water applications. To lead and accelerate the expansion in the Dutch market we are looking for a highly energetic

Business Unit manager

In this demanding role you will be leading the daily operations, with a main focus on driving our results in the Rental and Sales business. You will be actively involved in driving our Rental activities forward, and will be visiting Rental customers and projects frequently. Besides this, you will also be responsible for leading and motivating your team at Gorman-Rupp Nederland of currently 10 people. Also, you will maintain the ISO9001 and VCA* standards for your business unit.

We are looking for a candidate who has:

- An extraordinary passion for customer care and -service.
- A results driven and practical approach.
- A bachelors degree in mechanical engineering or technical business administration.
- Min. 5 years of experience in selling and renting centrifugal pumps, rotating- or heavy equipment, preferably in construction, municipalities and industrial applications.
- Min. 3 years of management/leadership experience in a small scale technically orientated MKB company.
- A structured and organized working method, and a profound knowledge of ISO9001 and VCA systems.
- Fluent language skills in Dutch and English.

Besides these requirements, we are looking for someone who fits our philosophy:

Nice people, knowledgeable and they supply very good pumps, that is Gorman-Rupp.

Does this appeal to you and are you ready to lead the future expansion at Gorman-Rupp Nederland? Don't hesitate to apply with us:

Gorman Rupp Europe BV, attn. of Mr. C. van der Gaag (cvandergaag@gormanrupp.com)
